A black car stereo unit with a central LCD display. The display shows a faint image of a car. The unit is surrounded by various control buttons and knobs. On the left side, there are buttons for "RADIO", "MEDIA", and a star icon, along with a "PWR PUSH" and "VOL" knob. On the right side, there are buttons for "SEEK", "TRACK", "SETUP", and a "TUNE FILE" knob, along with an "ENTER" button.

A section of the car dashboard featuring two air vents with horizontal slats. Between the vents is a red triangular hazard light button. The entire unit is set against a dark brown background.
